Kicking goals, Triple i Sponsor Local Illawarra Soccer Team

In our efforts to continue to get involved with the local community, we recently teamed up with a client's local indoor soccer team. We are happy with the opportunity to give back and support those in the local Illawarra region.

We have proudly supplied new uniforms to help present the team with a united front and to show our support for the team. We were pleased to be sent the first official image of the team, now known as the Triple i Team, in their team shirts. The fluro green accents on the shirts will ensure they will not be missed.

The team is currently partway through their season with steady progression in the comp so far. We will be following them closely to see how they are fair this season. We can't wait to see what happens, now go kick some goals!
